Cracking CarFest delivers more than ever at weekend

THIS year's CarFest was the "biggest and best yet" according to BBC Radio 2 broadcaster Chris Evans.

The family car festival was a huge success with 20,000

people attending the sold out motor extravaganza last weekend at Laverstoke Park.

Combined with CarFest North, which took place at

the start of August, a total of £1.5million was raised for BBC Children in Need.

BASINGSTOKE and Deane is one of the best places to live in England and Wales, a survey has revealed.

It places the town and borough 11th out of more than 7,000 places evaluated.

The survey collects and compares data on average weekly incomes, crime rates, health stats, home ownership and economic activity.

Mayor of Basingstoke Roger Gardiner said: "It is nice to hear that Basingstoke and Deane is recognised as being a prominent area."

"It is very good to see the economic ranking in the survey, and its place in the table is a nice reflection of where Basingstoke should be."

It means Basingstoke could be one big step closer to burying its 2003 ninth place title in Crap Towns: The 50 Worst Places to Live in the UK.

Last year the town dropped out of the list in the 2013 edition Crap Towns Returns.

Basingstoke and Deane borough councillor Jane Frankum, of Popley West ward, said: "I remember that label and I think it was undeserved."

"People have finally woken up to what a great place Basingstoke is."

The index published last week, compiled by The Daily Telegraph, surveyed between 2,000 to 6,000 households in each of the 7,137 areas.

Of the five variables used to calculate the rankings, Basing-

stoke was strongest for its economic activity - in which it was rated ninth out of 7,137.

Economic activity was measured by the percentage of people aged 16 to 74 working or looking for work a week before the last 2011 census for England and Wales.

It came 14th for the average weekly income of residents, for health it came in 76th place, for crime it was 509 and for home ownership, Basingstoke came 1,353 out of 7,137.

Basingstoke and Deane borough councillor Sean Keating said: "I am not surprised because it is genuinely a good place to live and there are a lot of services and facilities available here that are not available in other towns."

Clive Sanders, the leader of Basingstoke and Deane Borough Council, said: "Obviously it is very pleasing to see Basingstoke and Deane ranked 11th best place to live in England and Wales but it is of no surprise to me or our residents."

He added: "Basingstoke and Deane has so much to offer with a thriving economy and low unemployment, great shopping and renowned leisure, culture and sporting facilities and attractions."

Pub beer garden and cinema plans

AN APPLICATION has been submitted so the garden of The Soldiers Return pub in Basingstoke can be used as a beer garden.

The proposal, submitted on July 15, also wants the pub's licence to include the showing of films indoors Monday to Sunday from 11am to 11pm.

After being closed for several months, the pub, in Upper Sherborne Road, reopened last May under different ownership.

The new owners want permission to use the rear garden until

mathew@taylornewspapers.co.uk

9pm each day.

During the application consultation period, a complaint was raised about noise levels.

The complaint, sent to Basingstoke Deane and Borough Council offices, said: "The noise from the Soldiers Return was unacceptable in the evening up to at least 11.30pm."

"We could clearly hear shout-

ing, loud laughter and music.

"It was a hot night, and it is not clear to us simply whether the windows had been left open, or customers had spilled out into the car park, or both."

"We further request that this be investigated and understood before any change to the licence is considered."

"Someone might suggest that we 'have to put up with' a certain level of noise because we bought a house at the rear of the pub."

"Well, we haven't for the last 30 years so we don't expect this to

change now."

The letter stated that they found the proposals to use the garden in the pub "completely unacceptable".

The pub's manager, Duncan Carter, declined to comment.

A licensing sub-committee meeting on Friday, August 29 is due to discuss the proposals and either approve or decline permission for the film and beer garden plans.

It will take place at the council's civic offices in London Road from 10am.

New heart saver installed in Basingstoke

A NEW lifesaving piece of equipment has been installed into the Viabes Community Centre in Basingstoke.

The South Central Ambulance Service NHS Foundation Trust installed an Automated External Defibrillator (AED) into the centre earlier this month thanks to fundraising by people who use the centre.

An AED is used to electronically shock those who have had a cardiac arrest before ambulance crews arrive.

Claire Wareham, the association manager at the centre, said:

"The Defibrillator has been provided by the community, for the community and will give a real boost to the local area which will now have the reassurance that if this life saving piece of equipment is required, it is there for all to benefit from."

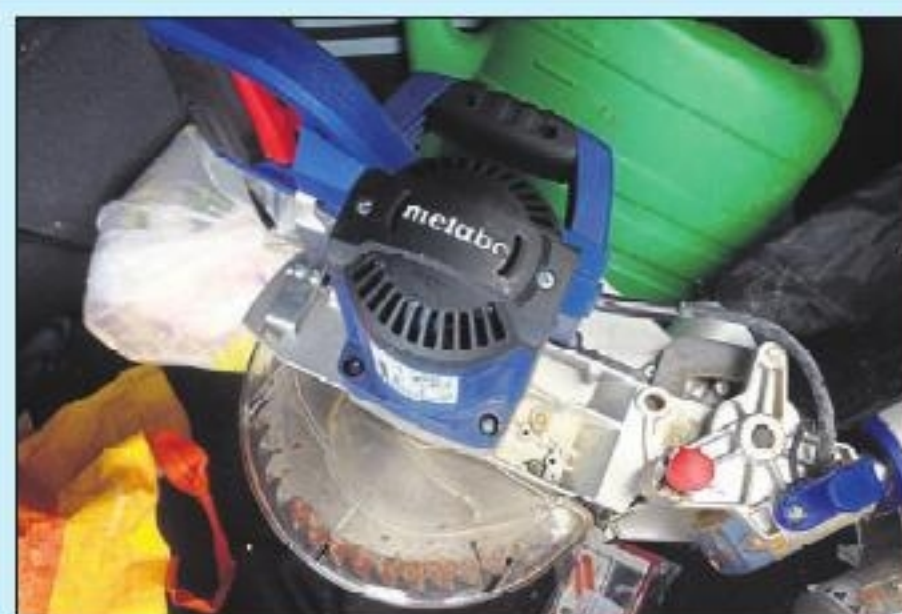

Survival rates as high as 70 per cent have been reported when an AED has been immediately available.

The Mayor of Basingstoke Roger Gardiner, who cut the ribbon when the Viabes Community Centre got the AED, said: "We are really pleased that the

Viabes is one of the first community centres in the North of Hampshire to have an AED."

"The AED will be a great resource available to the entire local community at any time."

The car did not stop and was found abandoned after a short chase.

The driver and passengers were not found after a large-scale police search.

A burgundy Subaru Legacy was seen in the area at the time.

Basingstoke and Deane ranked 11th out of 7,000

• Basingstoke's skyline

• From front page

"Complement this with the borough's beautiful countryside, nature conservation areas and many sites of historical interest and it's easy to see why Basingstoke and Deane is such a great place to work and live in."

Labour's parliamentary candidate for Basingstoke, Paul Harvey, said: "It is good that people think highly of Basingstoke."

"I am proud to live here, it is a fantastic borough to live in and a very successful town."

But he said more needs to be done to tackle issues including living costs and affordability in the town.

He added: "There are still a lot of challenges many people are facing."

"It is not easy to trying to afford to live in Basingstoke."

"The cost of living, people relying on local food banks, or choosing between heating and eating are all concerns."

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

"I want it to be a successful area for everyone to live in."

Health was measured by the percentage of people who reported their health was "very good", and home ownership based on mortgages, loans and ownership, at the time of the 2011 census.

Rankings of income in the survey were determined by model-based estimates of average weekly household net income in an area for the period 2007 to 2008. Official police statistics were used from the period May 2013 to June this year.

The ratio of the number of instances of crime and anti-social behaviour to the number of people in an area processed by UKCrimeStats determined the crime variable.

The website will give details on developments of the Hampshire superfast broadband programme, which has already been given to 15,000 homes and businesses.

The new website can be found at hampshiresuperfastbroadband.com.

Autism help

HAMPSHIRE: A new strategy has been set up by the county council to help children with autism in Hampshire.

It will aim to improve autism awareness amongst those who work with children, and ensure young people with autism have access to education and employment.

There are around 4,000 people up to 25-years-old with autism in Hampshire.

The strategy is currently in consultation until November 7 on hants.gov.uk/autism-consultation.

Consultation on 48-home Tesco redevelopment

TESCO'S £5million plans for 48 new homes and a supermarket in Brighton Hill will be on show at the Viables Community Centre next week.

A public exhibition of the proposals for Winchester Road launches on September 5 for two days at The Harrow Way centre.

The development and new store, on the former Smiths Industries site, is expected to create 200 jobs in the supermarket and during construction.

Jack Pearson, Tesco's regional corporate affairs manager, said: "We want to share our new plans with the local community and encourage people to come along and chat to us about them."

"Members of our development team will be on hand throughout the exhibition to explain our ideas and answer any questions

visitors may have."

The plans are to build one, two and three bedroomed homes as well as the Tesco store.

Tesco also confirmed the

smaller store would not include a pharmacy, post office, optician or travel agents so there would be no clashes with existing local businesses.

The changes came after a previous application raised concerns about competition from other businesses.

The plans in 2012 were rejected by councillors.

The exhibition will take place in the Four Lanes Room of the centre on Friday, September 5, from 1pm to 7pm and from Midday until 3.30pm on Saturday September 6.

Concerns over planning application for gypsy site

PLANS to build a traveller site in Basingstoke where trees were previously being illegally felled have been unveiled.

A planning application was submitted on August 12 for three touring caravans, three mobile homes, and three wooden buildings with kitchens and bathrooms in Dixon Road, Sherfield on Loddon.

In June, a court injunction was granted to stop trees being chopped down - which were being felled by the landowners at the site.

Councillor Elaine Still, who lives in Sherfield on Loddon, said: "I was enraged by the tree felling at the time."

"The land owners had no licence to do that and it was habitat for birds and dormice - wildlife was being completely destroyed."

"The planning application will be dealt with like any other application. However, there are some concerns, especially with access to the site."

"Creating more traffic onto an already busy road could be a problem."

Cllr Still also said that residents will have until September 26 to make comments on the application submitted to Basingstoke

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

and Deane Borough Council.

Matthew Green, the director of Green Planning Studio, who submitted the application on behalf of the owners of the land, said: "It is inevitable that residents will object to a traveller site however, the application is in line with planning policy."

There are a total of four landowners for the site - Boysie Bidle, of Leicestershire, John and Sammy Smith, of Farnborough and James Tombs of Tadley.

All four landowners were ordered to stop unlawfully cutting down the trees back in June, when over 500 trees were felled without a licence.

The council's corporate director, Karen Brimacombe, revealed residents were concerned about the site being used for travellers to live on.

Councillor Martin Biermann, of Chineham ward, said: "The proposal is not popular with residents."

"A traveller family bought the land and there is nothing wrong with it in planning terms but residents need to have their say."

Man nearly loses ear in attack

A MAN'S ear was nearly cut off with a beer glass in a brutal attack on a train from London to Basingstoke.

Police released CCTV images yesterday of a man they want to speak to after a 62-year-old vic-

tim was attacked with an empty beer glass on July 5.

The victim, from Farnborough, was travelling home from London with three friends.

When the train pulled into Farnborough, a man approached the trio and began verbally abusing them.

The victim was struck across the face with the glass, which smashed and was used as a weapon to attack him again.

When other passengers intervened, the man fled in a taxi with two other men.

The victim nearly lost his ear in the attack and needed multiple stitches.

Detective constable Phil Bibbings, who is leading the investigation, said: "The unprovoked nature of the assault is of great concern and we are working hard to catch the person responsible and bring them to justice."

"Who is the man in the orange t-shirt?"

"I believe he could have crucial information about what happened on that train, which will greatly assist our investigation."

"It is thought he has a broad Scottish accent, and may live or have connections in the Woking or Camberley areas of Surrey. "If you recognise him, please

get in touch."

Anyone with information should contact the British Transport Police on 0800 405040.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Future looks bright for all-star GCSE teenagers

SCHOOLS across Basingstoke and Deane celebrated a jump in GCSE results from last year.

Teenagers celebrated their grades on results day last Thursday.

Students across the county found they beat the national average when they opened their results envelopes.

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

Emma Wells, from Basingstoke, managed a clean sweep of 11 A's alongside classmate Hannah Milne-Williamson at St Nicholas' School for girls in Church Crookham near Odiham.

Emma said: "I am overwhelmed and really happy with my results."

"I am going on to Peter Symonds College and I hope to enjoy a career in the city in the future."

Hannah commented: "All the hard work has paid off! I am really excited to be going to Alton College and I am hoping to pursue Marine Biology."

St Nicholas' School saw 97 per cent of its students achieving five A* to Cs.

The school's headmistress, Annette Whatmough, said: "I am delighted with our student's performance and wish to congratulate them all on their achievements."

"We are all aware that the marking for GCSEs has become a lot more rigorous over the last two years but the girls have risen to the challenge."

The Vyne School in Basingstoke got its best results yet and took to Twitter to celebrate: "GCSE RESULTS: Best ever results! 52% of students got 5 A*-C including Eng and Maths. We are so proud of all of our students! #BASGCSEs."

Robert May's School in Odiham improved by six per cent from last year with 76 per cent of students achieving five A* to Cs, including English and maths.

Countywide, the results were also an improvement, with 61 per cent of students in Hampshire achieving five A* to Cs.

Executive member for educa-

tion at Hampshire County Council, Peter Edgar, said: "Hampshire's 16-year-olds should be commended for their achievement, demonstrating that their effort and hard work have reaped rewards."

"We appreciate the support of parents and the work of teachers in helping these students to do well and I'm sure they are proud of their students."

New Lord-Lieutenant of Hampshire named

HAMPSHIRE'S new Lord-Lieutenant has been appointed.

Nigel Atkinson, 60, of Petersfield, will succeed Dame Mary Fagan when she retires on September 11.

The role of Her Majesty's Lord-Lieutenant in Hampshire is to represent the Queen, arrange visits for the Royal Family and present honours, medals and awards - such as the British Empire Medal, Queen's awards for enterprise, the Elizabeth Cross and the Queen's awards for voluntary service.

Mr Atkinson, who has been deputy lieutenant since 1999, said: "It is a privilege and an honour to succeed Dame Mary as Lord-Lieutenant of Hampshire and I much look forward to working with the county council, the voluntary and charitable sector, the Armed Forces, businesses and other important bodies to help further the interests of Hampshire in the coming years."

"I follow in the footsteps of an outstanding Lord-Lieutenant

whose work has touched many different areas of life across the county."

Dame Mary Hagan, who has held the position as Lord-Lieutenant for over 20 years, said: "I am delighted that Nigel will succeed me as Lord-Lieutenant."

"He has done an excellent job as my Vice Lord-Lieutenant and I know that he will serve Her Majesty The Queen and the county very well."

Peddalling to Paris for armed forces

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

A DAD and son are putting their legs to the test by cycling from London to Paris for the Royal British Legion (RBL).

John Noakes, 57, of Sherfield-on-Loddon and his 26-year-old son, Luke, from London, are training for the 460km charity challenge on September 4.

The four-day capital to capital cycle is part of an RBL-organised Pedal to Paris event.

The challenge is to commemorate the 100th anniversary of the First World War.

Mr Noakes said: "I am excited but there is a little bit of trepidation."

"This is the first time I have done a ride like this."

"We will be in good company though and by riding with others, we can motivate each other."

"It is a good cause and a good opportunity to get fit. I have got a great amount of respect for the cause."

The duo initially set a target of raising £1,600 to donate towards supporting for armed forces but have reached £2,200 so far.

"I was in the merchant navy for 14 years so this is important for me."

• John Noakes (left) and his 26-year-old son Luke are set to cycle from London to Paris

"It's great to have my son spurring me on as well."

The event will see participants ride from London to Calais on day one, Calais to Abbeville on day two, Abbeville to Beauvais on day three and Beauvais to Paris on day four.

They will then get a train back to London the next day.

A crew of mechanics and physiotherapists will accompany them

throughout the journey.

Money raised will help the Royal British Legion provide solutions to veteran's problems – be it financial difficulties, bereavement, disability or finding employment.

Charles Byrne, director of fundraising at the Legion said: "We are very grateful to John and Luke for taking on the Pedal to Paris challenge."

"It really is an incredible experience and we wish them all the best for the ride."

"Apart from the training that goes into preparing for the event, the fundraising they are undertaking on behalf of The Royal British Legion will make a real difference to the lives of those that we support."

To sponsor them go to justgiving.com/Luke-John/.

Countryside surrounding town awarded

COUNTRYSIDE around Basingstoke has been recognised as some of the most beautiful in the UK.

Hartley Wintney Central Commons and Elvetham Heath Local Nature Reserve have been awarded the Green Flag award handed out by charity Keep Britain Tidy.

They join Eastrop Park and War Memorial Park in Basingstoke, which the Observer reported last week also received the awards.

They are given to sites that have outstanding grounds with good facilities.

Councillor Anne Crampton, of the Hartley Wintney ward, said: "We are absolutely delighted to receive a Green Flag Award for the fourth year from Keep Britain Tidy."

"This award recognises and highlights that people in Hart District are benefitting from a green space of the very highest quality, positively enhancing their health and wellbeing."

Both parks have received the award on three previous occasions and are among the 1,476 parks and green spaces that have received a Green Flag award this year.

Carl Westby, head of leisure and environmental promotion at Hart District Council said: "Hart District Council and our partners work hard to manage these beautiful areas for not only wildlife but to ensure our green spaces are maintained to a high standard for the enjoyment of the whole community."

CarFest a big success

CARFEST South was a tremendous success when it returned to Laverstoke Farm last weekend.

About 20,000 people flocked to the family car festival at the farm between Whitchurch and Overton from Friday to Monday.

Hosted by radio presenter, Chris Evans, the festival has been held at the farm of Formula One world champion Jody Scheckter since 2012 and raises money for Children in Need.

Described by Chris Evans as the "biggest and best CarFest yet", the festival was deemed to be a great success.

"We just love what we've created with CarFest," said Mr Evans.

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

"It's so cool to see so many families out there getting involved and having such a brilliant party time - whether it's watching all the fabulous cars, dancing along to all the fab bands or enjoying all the incredible sideshows."

This year, including proceeds from CarFest North, which took place at the start of the month, a total of £1.5million has been raised for Children in Need.

Motorsports from drag racing, rally and Formula One cars were on show during the weekend.

Mr Evans' own collection of

Ferraris were on show and an array of vehicles - ranging from motorised pieces of furniture to supercars - took part in a hill climb.

Multiple Grand Prix winner, Mark Webber, said at the event: "This is a great vision and a cracking weekend."

"What's more, it's all for a great cause."

"The collection of cars is sensational with all shapes and sizes - from sofas that do 90mph through to all sorts of Formula One cars."

The armed forces were also there with the RAF Red Arrows putting on an impressive acrobatic display.

Festival food was served up by

TV chefs, including Saturday Kitchen presenter, James Martin and Mary Berry from The Great British Bake Off.

Festivalgoers were also treated to an eclectic mix of music throughout the weekend, with '80s gem Erasure, Scottish rockers Texas, sophisticated

Sophie Ellis Bexter and indie band the Kaiser Chiefs all headlining.

"I've absolutely no idea what we're going to do next year, but we keep raising the bar higher and higher, so I guess we'll just have to do it again," said Mr Evans.

Councillors Corner

Cllr Martin Biermann

Independent councillor for Chineham

How are we doing?

BASINGSTOKE and Deane is a great borough with much to recommend it. It has some truly leading facilities and has historically been one of the richest districts in the country.

However, there is still too large a gap between the council's current performance and exemplary status.

To my mind it is time to admit to, and then tackle, two major shortcomings.

The first of these is in relation to planning. Recent serious failures in this respect must unreservedly be laid at the door of the current borough council administration.

The other issue, and a particular long-term concern of mine, is our poor performance on environmental protection issues.

A borough which has historically bumped along very close

to the bottom of the national recycling league tables has something to be seriously ashamed of.

To fail miserably for a couple of years could be forgiven, but to continue year after year and fail to achieve a marked improvement, smacks of incompetence.

Misguided "initiatives" such as the recently installed banks for collection of plastic and the previous kerbside collection undertaking might statistically assist in preventing us hit the very bottom of league tables, but do not have a meaningful impact on environmental protection.

Add to this recent disgraceful refusals of local windfarm proposals (again a woeful failure in national terms) and pathetic provision for cyclists, and we have a clear case of "mission far from complete".

GCSE delight for teenage apprentice

A 16-YEAR-OLD from Basingstoke celebrated GCSE results which mean he can carry on with his apprenticeship last week.

Bradley Lambell's five passes in Maths, English, Science, Religious Studies and BTEC Sport mean he can carry on with his insurance company apprenticeship.

Bradley (pictured) said: "I really hoped I had done enough to get the grades I needed to stay."

He added: "So I am really pleased as I enjoy working here and earning good money too."

The Be Wiser programme, based in Andover, enrolls 30 GCSE students who will be Chartered Insurance Institute (CII) cert qualified within the first 31 days and have a diploma after two years.

Programme manager Mark Leeming, said: "We are delighted Bradley achieved his exam results and will be continuing on the programme with us."

Cancer victim's family help build new centre

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

A FAMILY who lost a loved one to cancer has given £11,000 towards the cash needed to build a new cancer centre for Basingstoke.

The family of Patsy Harris-Bye, who died in 1992, donated their fundraising efforts to The Ark Cancer Centre Charity this month.

One of Patsy's sons, Joe Harris, 26, of Winkleberry, said: "It is such a good cause."

"The sense of achievement you get is second to none when you are fundraising for something like The Ark."

"I hope that once the Ark is built, it can help people get the high quality treatment they need."

The £13million cancer centre is to be built by Hampshire Hospitals NHS Foundation Trust.

The charity has pledged to raise £5m towards the build.

Since 1993 Patsy's family have been raising money by hosting an annual netball tournament - her most-loved sport.

On the Sunday closest to June 6, the date Patsy passed away, the family runs the competition at Russell Howard Netball Centre in Pinkerton Road along with Barbara Mellish and Carol Mur-

• Glyn Harris (Patsy's husband), Sophie (Joe's partner), Joe Harris (son) with baby Violet, Barbara Mellish (friend), Merv Rees (surgeon), Ann (Patsy's sister), Stevie Harris (son)

phy, friends who run the netball league Patsy was a part of.

Every year, 16 teams take part in the tournament.

A raffle is held as well as various foods and cake stalls to raise money.

Back in 1992 the Harris family gave a cheque of £1,800 to Merv Rees, the consultant surgeon who operated on Patsy, to be spent on equipment at Basingstoke Hospital.

It was only later the family

heard Mr Rees is behind the cancer centre project to serve North Hampshire - and decided to donate the money they had raised over 21 years to it.

Stevie Harris, 23, Patsy's younger son, said: "It was an emotional experience to meet the man who treated my mum. "To see that he remembered her and our previous donation meant a lot to us all."

"Now knowing she was treated by Mr Rees, who has such pas-

sion for his work and truly cared for her and my family, is extremely comforting."

Joe is also planning to climb Mount Kilimanjaro to raise more money for the centre.

Mr Rees said of the donation: "Your story as a family is very moving and I can only express that it is my privilege to be included in your thoughts."

"We will keep you posted as the project progresses and I shan't rest until we complete it!"

Bushcraft day

BASING House is hosting a bushcraft day on Sunday, August 31.

Visitors can take part in activities including foraging for wild food, shelter-building, natural cordage and clay modelling.

The event begins at 11am and ends at 3.30pm.

The cost is £5 per person, and booking in advance is recommended.

Film showing

BASINGSTOKE Discovery Centre is showing documentary film A Debt of Honour at 2pm today.

Made by The Commonwealth War Graves Commission, the film illustrates how the war cemeteries and memorials came to be established in some 150 countries and how through it's work, the Commission records and honours those who died.

No booking is required, and entry is free.

Art exhibition

AN ART exhibition of work by Basingstoke-based artist Sandy Kendall is being held at the Proteus Theatre.

Sandy is an art tutor for Proteus Creation Space, and runs courses there throughout the year.

The exhibition runs until August 31 at the Council Road centre.

Fresh from the Fringe

NEW Zealand-born comedian Jarred Christmas comes to Basingstoke next Thursday, fresh from his recent appearances at the Edinburgh Fringe.

Jarred is performing at Jan Jack's Laughter-House comedy club, and is best known for his energetic storytelling and audience interaction.

By Adam Flinn

adam@taylornewspapers.co.uk

As well as making appearances on BBC television shows 'Mock the Week',

'Russell Howard's Good News' and 'Never Mind the Buzzcocks', Jarred has been busy on the UK stand-up tour in recent years.

And Jan Jack, who founded Laughter-House in October 2007, is excited about Jarred's visit.

"We've had some great comedians

in our time, and Jarred is one of the best," she said.

"Comedians such as Adam Bloom, Mike Gunn and Zoe Lyons love Laughter-House so they pass on the word that there's a great Basingstoke comedy venue."

"My mission for the New Year includes hunting down Miles Jupp and Sean Hughes, so we'll see how that goes!"

Also on the bill for next Thursday's show are Andrew Ryan, Andrew Roper, compere Rich Wilson, and Jan herself.

Irishman Andrew Ryan made his comedy circuit debut in 2008 after spontaneously entering an open mic contest, and now travels the country gigging at various comedy clubs.

He is also at the Edinburgh Fringe where he is performing his latest show 'Life of Ryan', and has previously appeared on television and radio.

Like his fellow two acts for next week's show, Andrew Roper is also at the Fringe where he is performing his stand-up routine 'Cos I'm Free'.

And Rich is a regular compere at Laughter-House, having been working in the comedy industry since 2004.

Next Thursday's show takes place at the Red Lion Hotel, in Red Lion Lane. For more details, go to laughter-house.co.uk.

An Autumn of showbiz

THE autumn programme of entertainment at the Bordon Phoenix gets underway next month, with a variety of theatre, comedy and music on offer to visitors.

It starts with the classic tale of The Ugly Duckling performed using puppets on the Phoenix stage on September 13.

The Phoenix Players then present their latest show Ghost Train from September 19, which sees a group of strangers stranded on a train station platform, one of whom insists on telling ghost stories.

Comedian Milton Jones visits the venue on September 25 for a work in progress show, ahead of a full UK tour next year.

He is followed by fellow comic Stephen K Amos on October 3, who returns to the UK after sell-out tours in Australia and New Zealand.

Longwave, a production performed without dialogue about two scientists who are trying to make sense of the world they are stranded in, is at the Phoenix on October 24.

adam@taylornewspapers.co.uk

Musician Hazel O'Connor stages a show on October 30, coinciding with the release of her latest album 'Here She Comes'.

November starts with Turn of the Screw, a theatre piece set in the late 19th century based on the novel by Henry James.

Grounded is at the theatre on November 12, about a pregnant fighter pilot who sees her career coming to an end.

Funnyman Robin Ince arrives on November 28, for his latest in his series of stand-up comedy lectures.

The music of Bob Dylan is performed on December 6 in a tribute show, featuring classic hits such as 'Blowing in the Wind'.

And the exceedingly festive production The Christmassy Christmas Show of Christmassy Christmasness is at the Phoenix on December 17.

Leon CUPRA 280 buyers can now bolster their vehicle with the latest additions

Seat unveil performance pack

SUMMER is the one season of the year where you look forward to the weather. It is that time of year when you drive to the beach and let your hair down.

And Spanish car manufacturer Seat is helping you create those summer memories by launching a new 'Sub8 Performance Pack' for the Leon CUPRA 280.

The pack includes larger brake discs, 19-inch alloy wheels in either black or orange and body-coloured side skirts for £2,025 including VAT.

CUPRA 280 owners can also seek the ultimate grip with semi-slick Michelin Pilot Sport Cup 2 tyres, available at £460.

The Leon CUPRA 280 is effectively two cars in one.

One minute it is a docile and practical five-door family car, and the next, in CUPRA mode, it becomes a force to be reckoned with, hitting 62mph in 5.7 seconds.

As well as the new Sub8 Performance Pack, SEAT also introduced its new CUPRA colour exterior packs during the Goodwood Festival of Speed in June this year.

REVIEW: Seat Leon CUPRA 280
By James Richings

Two shades – Black-Line and White-Line – have initially been made available and cost £500 including VAT.

They are available to order now and also include 19-inch alloy wheels, door mirrors and rear side spoilers.

SEAT will launch a further pack – Orange-Line – in December.

Rounding off the additions for the Leon CUPRA 280, is the figure-hugging bucket seats priced at £1,250.

They feature a one-piece head restraint and come in black Alcantara with leather bolster.

The price also includes the Winter Pack, which includes heated front seats and headlight washer system with heated nozzles.

The Seat Leon was introduced in October 1998 and went on sale to the public a year later.

In that time there have been three different generations of the vehicle, including the latest model which was introduced in 2012.

• Seat has announced a new 'Sub8 Performance Pack' for the CUPRA 280

Licensing Agency

End of the road for your vehicle?

Responsible drivers scrap their vehicles at an
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. www.direct.gov.uk/motoring

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job. I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Cricketers bowl out rivals during strong turnouts

BASINGSTOKE and North Hants Cricket Club picked up another win at home on Saturday, as they beat Andover by 25 runs.

The hosts set Andover a target of 208 to win their Southern Premier Cricket League division one clash, but the visitors could only get to 183-9.

In the same division, Hook and Newnham Basics also collected a win, as they beat Hursley Park by 10 runs in a very low scoring game.

Hook's lowly total of 61 looked certain to be beaten, but Hursley could only manage 51 themselves to give the hosts an unlikely victory.

Basingstoke sit third in the league after 14 matches with a points average of 16.21, while Hook are seventh with 10.92.

In division two, Hartley Wintney continued their good form as they beat Calmore Sports by 79 runs.

Wintney set a target of 305 for Calmore, who could only reach 226 before being bowled out.

As a result Wintney sit third in the standings with an average of 14.31 points.

All three return to action on Saturday, as Basingstoke travel to New Milton, Hook are away at Andover and Wintney face Totton and Eling II.

Trophy held high on the top step of the podium

NORTH Hampshire racing driver Rob Collard made a long awaited return to the top step of the podium on Sunday in the British Touring Car Championship at Knockhill.

Collard won his first race in two years as he took a comfortable victory in the third race of the day.

Starting from sixth place on the soft tyres, Collard was up to third by the end of the first lap before moving into second soon afterwards.

Team-mate and fellow Hampshire-based driver Nick Foster, who had started the race on pole position, was Collard's next target.

But it didn't take long for Collard to get ahead and pull out a significant lead, while Foster eventually went on to take a season's best finish of fourth.

"You don't like to predict too much but I thought we might be in with a chance of a win," said Collard.

"That final race was just phenomenal - you just can't beat our eBay Motors team at the moment."

"Everyone is on top of their game and I'm just over the moon with this victory."

By Adam Flinn

adam@taylornewspapers.co.uk

Foster also enjoyed his best weekend of the season, picking up two 10th-place results in the first two races to go with his fourth position, where he finished just behind team-mate Colin Turkington.

"Race three - wow - it was just a great race," said Foster.

"I really wanted that podium and it was difficult at times, but Colin is going for the championship so we had to be careful."

"Overall it has been another great one for the team and I'm happy with my performance."

This weekend's results sees Collard - who also finished 12th and fifth in the opening two races - move up a place to fourth in the drivers' standings with 220 points. Foster is 16th with a total of 76 points.

They return to action at the Northamptonshire circuit of Rockingham on September 7.

Sport Bites

Last pre-season

BASINGSTOKE RFC play their final pre-season friendly on Saturday, before their season gets underway the following week.

They face Old Elthamians at Down Grange, after losing their first friendly match against East Grinstead on August 16.

Stoke begin their London One South season against Dover on September 6, having been relegated from the National League Three London and South East earlier this year.

Rose ends at 30

NORTH Hampshire golfer Justin Rose finished in a tie for 30th place at The Barclays in New Jersey as he dropped down the leaderboard on Sunday.

Rounds of 68, 70 and 70 had put Rose on five under par going into the final round, but a 72 meant he fell back 14 places.

His final score of four under meant he finished tied with seven others, and was 10 shots behind tournament winner Hunter Mahan.

Ladies football

THE Southern Region Women's Football League gets underway on Sunday, with Basingstoke Town Ladies in action against Aldershot Town Ladies.

Basingstoke finished sixth in the league last season with 17 points from 18 games, while this weekend's opponents Aldershot were fourth.

Aldershot beat Basingstoke 2-0 when the two sides last faced each other in the league back in February this year.

Bison signing

BASINGSTOKE Bison have re-signed Cameron Wynn for the coming season.

The 19-year-old has made more than 100 appearances for the squad, having come through the Bison junior programme.

"I hope it will be another winning season," said Wynn.

Football teams prove hard to beat in first matches of season

NORTH Hampshire's lower league football teams enjoyed a successful bank holiday weekend, as Hartley Wintney, Whitechurch United and Tadley Calleva were unbeaten over the three days.

Wintney began their weekend with a 0-0 draw away to Westfield on Saturday in the Combined Counties Premier league.

They followed up with a 1-0 win at home to Knaphill to go ninth in the table with 10 points.

Meanwhile, Whitechurch drew 3-3 with Horndean on the road on Saturday, before beating Fawley 3-1 at home on Monday.

The Jam Boys have started strongly, and sit in third spot in the Wessex Premier League.

And Calleva also picked up a win on Saturday, as they triumphed 1-0 on their travels against Team Solent.

They have won both Wessex Division One games without conceding a goal and sit second.

Wintney return to FA Cup action versus Frimley Green on Saturday after an abandoned first match, while Callava host New Milton Town and Whitechurch host Alton Town on September 3 in a Hampshire Senior Cup tie.

Bristow expects a challenge after two defeats end strong run

'TOUGH TEST AHEAD' FOR TOWN WITH EBBSFLEET

JASON Bristow has described Saturday's home game against Ebbsfleet United as a "tough test" for his Basingstoke Town side.

By Jack Johnson

jack@taylornewspapers.co.uk

Town's three-match winning run in the Vanarama Conference South was halted by Farnborough on Monday - Basingstoke's first away defeat of the season.

And Bristow is looking for his players to put things right this weekend after Dan Bennett and Phil Page struck late on Monday to gift Farnborough a 2-1 win.

"It is something we have got to learn from very quickly," said Bristow.

"But we have got a good group of players who were very disappointed after the game and will be desperate to put it right this Saturday."

Ebbsfleet visit the Soccer AM

Stadium this weekend on a two-match winless run and lie eighth in the table with seven points from four matches.

Bristow added: "Ebbsfleet have played a game less than everyone else and they are one of the pre-season favourites."

"We know they have got quality right throughout their side."

"It is going to be a huge game for us and a real test for us and where we can really say 'this is where we are'."

"Every player wants to play in these sort of games and to acquit themselves against the teams that are fancying themselves for the title."

"We just need to perform the way we have done and see what happens."

Basingstoke are currently fourth in the league table, four points behind early leaders Eastbourne Borough, and it could have been so different at Farnborough last weekend.

Louie Soares and Liam Enver-Marum both fired wide before Manny Williams put Town ahead from the penalty spot on 36 minutes.

Basingstoke continued to create chances but Lloyd Macklin failed to convert on two occasions.

And the visitors were made to pay as Bennett and Page struck late for the hosts.

Bristow added: "We controlled the game for very large parts and we were left to rue a lot of missed chances."

"There were a lot of chances we had that in previous games we were putting away and if we had done that we would have won the game very comfortably."

"But as long as the score is 1-0 they are always in the game."
